

The Dance & Theatre Factory Uniform Requirements

Proper dance attire is critical to your success in class and beyond. Dress codes for dance class are put into place for good reason, just like any other sport where the uniform & protective gear is necessary, dance requires certain clothing, shoes and accessory rules in order for your child to learn to their best capacity. Dance uniforms are for the safety of our students allowing the teacher to see a dancers alignment and posture in order to make corrections during class. By offering a range of styles to choose between we ensure your dancer feels confident and happy.

To keep this task simple we have given all of our studio's uniform requirements to Sue's Shop, 871 Old Cleveland Rd (Cnr Gallipoli Rd) Carina. PH 3398 5106. The staff at Sue's Shop know exactly what is required for every class at The Dance and Theatre Factory and can expertly fit you for whatever you choose. Just mention to the staff that your child is enrolled at The Dance and Theatre Factory and what classes they are doing. Some items of clothing may be purchased from TDTF.
